NOTES:

1. In view of the continuing Covid-19 pandemic and consequential restrictions imposed on the movements of people, the Ministry of Corporate Affairs ("MCA") has vide its General Circular No. 2/2022 dated May 5, 2022, General Circular No. 02/2021 dated January 13, 2021 read with Circular No. 20/2020 dated May 05, 2020 in conjunction with Circular No. 14/2020 dated April 08, 2020 and Circular No. 17/2020 dated April 13, 2020, 22/2020 dated June 15, 2020, 33/2020 dated September 28, 2020, 39/2020 dated December 31, 2020, 10/2021 dated June 23, 2021 and 20/2021 dated December 08, 2021 (collectively referred to as "MCA Circulars") and SEBI Circular No. SEBI/ HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/ 11 dated January 15, 2021, and circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 on May 13, 2022 issued by SEBI (collectively "SEBI Circulars") Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the MCA Circulars granted certain relaxations and thus permitted the holding of Annual General Meeting ("AGM") of the companies through VC/OAVM viz. without the physical presence of the Members at a common venue. Hence in compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA / SEBI Circulars, as applicable, the AGM of the Company is being held through VC / OAVM (e-AGM).
2. In compliance with applicable provisions of the Act read with the MCA Circulars and the Listing Regulations, the AGM of the Company is being conducted through VC/OAVM. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Clarification/ Guidance on applicability of Secretarial Standards - 1 and 2 dated 15th April, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
3. Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 and Regulation 36(3) of the SEBI (LODR), Regulations, 2015, in respect of the Special Business to be transacted at the Annual General Meeting as set out in the Notice is annexed hereto.
4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
5. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
7. The company has appointed M/s. Vivek Surana & Associates, Practicing Company Secretaries, as scrutinizer of the company to scrutinize the voting process.

BHASKAR AGROCHEMICALS LIMITED.

8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
9. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.bhaskaragro.com. The Notice can also be accessed from the websites of the Stock Exchange i.e., BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e., www.evotingindia.com.
10. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021, 20/2021 dated December 08, 2021 and Circular No. 03/2022 dated 05.05.2022.
11. Since the AGM will be held through VC/OAVM Facility, Proxy form, Attendance Slip and the Route Map is not annexed in this Notice.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E- VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on 19.09.2022 at 09.00 A.M and ends on 21.09.2022 at 05.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) 15.09.2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report:

(a) Industry structure and developments:

Agriculture continues to be the largest source of livelihood for about 58% of India's population and its growth ensures economic growth of the country. The Indian agrochemical sector has risen at an annual rate of 7.6% over the last six years. Although the Pandemic has affected the economy, the Indian agrochemical industry is considered to be one of the industries which has successfully fought the wrath of the pandemic. Crop protection chemicals are type of pesticides, insecticides, herbicides and plant growth promoters that are used to protect crops against insects and pests.

Many crops would suffer significant losses if they did not exist. Plant diseases and pests have become more common as a result of changing environmental conditions. Also, climate fluctuations have a substantial impact on crop productivity. The crop protection industry has been transforming over the years, with robust growth and changing crop mix trends and environmental regulations. Growing population, declining arable land, food security, trends of people shifting to vegetarian food and the need for augmented agricultural productivity are the significant factors driving the demand for higher agricultural output, thus boosting the growth of the crop protection industry globally. The market growth of crop chemicals is dependent on pest attacks, crop yields, and agriculturists' awareness levels and capacity to buy products depending on their availability of credit. Increasing demand for insecticides across the globe is also a major factor driving the market growth. Agriculture inputs play a decisive role in enhancing crop production. With arable land declining, production of crops can only be increased by using quality inputs through a scaled-up country-wide effort.

(b) Opportunities and Threats:

India's agrochemical consumption is one of the lowest in the world with per hectare consumption being just 0.6 kgs as compared to the United States (5-7kgs/hectare) and Japan (11-12kgs/hectare). With the increase in awareness and market penetration, consumption is likely to improve in the near future. The agrochemicals industry is expected to play a pivotal role in attaining food security for a populous country like India.

India is fast emerging as a hub for contract manufacturing, due to some competitive advantages like Low Cost Manufacturing Capability, Availability of highly skilled workforce, Seasonal nature of domestic demand, Idle Capacity availability, Better price realizations in global markets and Ease of Doing Business.

(c) Segment-wise or product-wise performance:

During the year under review, the Company has recorded revenue of Rs. 6534.85 Lakhs and made a Profit of Rs. 108.77 Lakhs against revenue of Rs. 6381.72 Lakhs and a profit of Rs. 84.93 Lakhs in the previous financial year 2020-21.

(d) Outlook:

The management is doing its best to forge relations with other companies and take the company forward in the new business lines. However, the outlook of the management is cautious in view of the competitive nature of the market.

(e) Risks and concerns:

Risk management comprises all the organisational rules and actions for early identification of risks in the course of doing business and the management of such risks along with identification of opportunities.

The Company has formulated a Risk Management Policy under which various risks associated with the business operations are identified and risk mitigation plans have been put in place.

BHASKAR AGROCHEMICALS LIMITED.

(f) Internal control systems and their adequacy:

The system of internal control has been established to provide reasonable assurance of safeguarding assets and maintenance of proper Accounting Records and its accuracy. The business risks and its control procedures are reviewed frequently. Systems audit is also conducted regularly to review the systems with respect to Security and its Adequacy. Reports are prepared and circulated to Senior Management and action taken to strengthen controls where necessary.

(g) Discussion on financial performance with respect to operational performance:

The Financial performance of the Company has been detailed in Board's Report under para Financial summary.

(h) Material developments in Human Resources/Industrial Relations front, including number of people employed:
The Company has able and experienced staff and dedicated executives. The company continues to have cordial relations with its employees and other stakeholders. The Company has 78 permanent employees as on 31.03.2022.

i) Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios along with detailed explanations thereof:

RATIOS :

PARTICULARS	2021-2022	2020-2021	REMARKS

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Bhaskar Agrochemicals Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Bhaskar Agrochemicals Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

1 Revenue Recognition

a) Revenue from the sale of goods (hereinafter referred to as Revenue") is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable.

The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported

Auditor's Response

Principal Audit Procedures Our audit approach was a combination of test of internal controls and substantive procedures including:

1. Assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof.
2. Evaluating the design and implementation of Company's controls in respect of revenue recognition.
3. Testing the effectiveness of such controls over revenue cut off at year-end.

BHASKAR AGROCHEMICALS LIMITED.

performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.

b) The Company has disclosed the gross sales revenue excluding trade discount.

Refer Note 2 and 42 (a) to the Financial Statements - Significant Accounting policies and notes to the accounts.

2 Impairment evaluation of Property, Plant and Equipment (PPE) refer note no. 2.6 and 3.2 of the financial statements)

Based on the guidance provided by Ind AS 36 "Impairment of assets" the following indicators that PPE may be impaired have been identified:

- Up to 31.03.2021 company was not providing the depreciation on PPE of unit – II as the same is closed.
- The PPE is not being in use since long time and depreciation on the said PPE is not provided and carrying value of the PPE in the books may not be on fair value.

Therefore, as required by Ind AS 36, the company has estimated the recoverable amount of its PPE based on the management estimation and independent quotations received subsequent to year end. Any valuation / forecasting assessments performed are exposed to higher than usual degree of estimation uncertainty and judgment. Accordingly, this is a key audit matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

4. Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognised in the correct period.

5. Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing.

Evaluating adequacy of disclosure in relation to revenue recognition – sales revenue in the financial statements.

Our audit procedure includes :

- Obtaining an understanding of the Company's process and key controls over the impairment evaluation.
- Assessing and testing the design and operating effectiveness.
- Evaluating the Company's process with respect to impairment assessment and fair valuation.
- Assessing and testing the sensitivity analysis performed by the Company and evaluating whether any possible changes in assumptions could lead to a significant change in recoverable value.
- Assessed the adequacy of the disclosures relating to impairment.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

BHASKAR AGROCHEMICALS LIMITED.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

Report on Internal Financial Controls Over Financial Reporting

Annexure “B” to the Independent Auditor’s Report of even date on the Financial Statements of Bhaskar Agrochemicals Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Bhaskar Agrochemicals Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

BHASKAR AGROCHEMICALS LIMITED.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial Statement. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation & compliance with IND AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Act. The financial statements of the company are prepared in accordance with the Indian Generally Accepted Principal (GAAP) on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS

> Certain financial assets and liabilities are measured at fair value (Referred accounting policy on financial instruments)

> Defined benefit and other long term Employees Benefit.

Current versus non current classification

All the assets and liabilities have been classified as current and non current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

2.2 Uses of Estimates & judgments

The preparation of Financial Statements in conformity with the generally accepted accounting principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities, revenue and expenses and disclosure of contingent liabilities. The estimates and assumptions used in accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements are reviewed on an ongoing basis. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Measurement of Fair Values

The accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The company has an established control framework with respect to the measurement of fair values, which includes overseeing all significant fair value measurements, including Level 3 fair values by the management. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

BHASKAR AGROCHEMICALS LIMITED.

- Level 1 - Quoted price (unadjusted) in active markets for identical assets or liabilities
- Level 2 - inputs other than quoted price included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs) If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.4 Property Plant and Equipment and Depreciation

- a) Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. Cost includes taxes, duties, freight and other incidental expenses directly related to acquisition/construction and installation of the property, plant and equipment. Any trade discounts and rebates are deducted in arriving at the purchase price.
- b) Subsequent expenditure related to an item of property, plant and equipment are added to its book value only if it is probable the future benefits associated with the item will flow to the entity and the cost associated with item can be measured reliably.
- c) Capital work-in-progress includes property, plant and equipment not ready for their intended use and related incidental expenses and attributable interest.
- d) Expenditure during construction period: Expenditure (direct & indirect) incurred during the construction period which are attributable to acquisition / construction of PPE, will be capitalized with the respective Plant, Property & Equipment at the time of commissioning of such assets.
- e) The estimated useful life of assets are as follows:

Building	30-60 years
Plant and equipment	15-25 years
Electrical Installations	10 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computer and data processing equipment	3 years

- f) Depreciation on tangible property, plant and equipment has been provided on on Straight Line Method. Depreciation is provided on a pro-rata basis, i.e. from the date on which asset is ready for use. Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.
- g) Items of property, plant and equipment that are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately under other current assets in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.
- h) An item of property, plant and equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal are recognised in the Statement of Profit and Loss.

2.5 Intangible Assets

- a) Intangible assets are stated at cost of acquisition less accumulated amortisation and accumulated impairment losses, if any.
- b) Subsequent expenditure related to an item of intangible assets are added to its book value only if it is probable benefits from the existing asset beyond its previously assessed standard of performance.
- c) Intangible fixed assets that are ready for use are amortized on a straight line basis over a period of estimated useful life of 4 years.

d) An intangible asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal of property, plant & equipments carried at cost are recognised in the Statement of Profit and Loss.

2.6 Impairment of non-financial assets

The Company assesses at each year end whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the asset's recoverable amount and the amount of impairment loss. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash in flows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

2.7 Borrowing Costs

Borrowing costs incurred on constructing or acquiring a qualifying asset are capitalized as cost of that asset until it is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue and recognized as an expense in the Statement of Profit and Loss.

2.8 Research and Development Cost

Research and development costs incurred for development of products are expensed as incurred, except for development costs that relate to the design and testing of new or improved materials, products or processes, which are recognized as an intangible asset to the extent that it is technically feasible to complete the development of such asset and future economic benefits are expected to be generated from such assets Capital expenditure on research and development is included as part of property, plant and equipment and depreciated on the same basis as other assets.

Research and Development cost incurred (other than cost of property, plant and equipment acquired) are charged as an expense in the year in which they are incurred and are reflected under the appropriate head of account.

2.9 Assets classified as held for sale

The Company classifies non-current assets (or disposal group) as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. The criteria for held for sale classification is regarded met only when the assets (or disposal group) is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets (or disposal group), its sale is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale of the asset (or disposal group) to be highly probable when:

- ▶ The appropriate level of management is committed to a plan to sell the asset (or disposal group),
- ▶ An active programme to locate a buyer and complete the plan has been initiated (if applicable),
- ▶ The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- ▶ The sale is expected to qualify for recognition as a completed sale within one year from the date of classification , and
- ▶ Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

BHASKAR AGROCHEMICALS LIMITED.

2.10 Inventories

- a) Inventories are valued at lower of cost or net realizable value on an item-by-item basis.
- b) Cost of finished goods, traded goods and work in progress is determined by considering materials, labour and other related costs incurred in bringing the inventories to their present condition and location. Cost of raw materials, packing materials and consumables is determined on first-in-first-out basis.

2.11 Cash and Cash Equivalents

Cash comprises of cash at bank and on hand and cash equivalents comprise of short-term bank deposits with an original maturity of three months or less.

2.12 Cash Flow Statement

Cash flows are reported using indirect method as set out in IND AS 7, "Statement of Cash Flows", whereby profit/(loss) before tax is adjusted for the effects of transactions of non cash nature and deferrals of accruals of past or future cash receipts or payments. The cash flows from operating, Investing and financing activities of the company are segregated based on the available information.

2.13 Leases

A lease is classified at the inception date as finance lease or an operating lease. Leases under which the Company assumes substantially all the risk and rewards of ownership are classified as finance leases. When acquired, such assets are capitalised at fair value or present value of the minimum lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of Profit and loss. Other leases are treated as operating lease, with payments are recognised as expenses in the statement of profit and loss on a straight line basis over the lease term.

2.14 Revenue Recognition

- a) Sale of goods is recognized as revenue when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenues are recognized when collectability of the resulting receivable is reasonably assured. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances.
- b) Income from services rendered is recognized based on agreements with the customers using the proportionate completion method, when services are performed and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering of service.
- c) Interest income is recognized on a time proportionate basis, taking into account the amount outstanding and the rates applicable. For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate method to the net carrying amount of the financial assets.

2.15 Income Tax

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period) and Minimum Alternate Tax (MAT) credit entitlement.

a) Current Tax

Current tax is computed and provided for in accordance with the applicable provisions of the Income Tax Act, 1961.

b) Deferred Tax

"Deferred tax is recognised in respect of temporary difference between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity. Deferred tax assets and liabilities are offset only if: a) The entity has a legally enforceable right to set off current tax assets against current tax liabilities; and b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

c) Minimum Alternate Tax

MAT is recognised as an assets only when & to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit became eligible to be recognised, it is credited to the statement of profit & loss & is considered as (MAT credit entitlement). The company review the same at each Balance Sheet date & writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specified period. MAT credits are in the form of unused tax credits that are carried forward by the company for a specified period of time, hence, it is presented as Deferred Tax Assets.

2.16 Employees Benefits

Employee benefits payable wholly within twelve months of receiving employees services are classified as short-term employee benefits. The short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The company contributes to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 that is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which the employee renders services. Superannuation benefits, a defined contribution plan, has been funded with Life Insurance Corporation of India and the contribution is charged to Statement of profit and loss, when the contribution to the Fund is due.

Defined benefit plans

The company provides for gratuity benefit and compensated absences, which are defined benefit plans, covering all its eligible employees. Liability towards gratuity benefits and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations are carried out at the balance sheet date. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI.. The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. The gratuity benefit is funded with the Life Insurance Corporation of India (LIC).

The short term provision for compensated absences has been calculated on actual basis, based on the balance of unutilised leave available, and can be encashed at the end of the year as per the company's policy.

BHASKAR AGROCHEMICALS LIMITED.

2.17 Foreign Currency Transactions

- a) Initial recognition-Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.
- b) Subsequent measurement- Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Foreign currency differences are generally recognised in profit or loss. Non-monetary items that are measured based on historical cost in a foreign currency are not translated.

2.18 Provisions and Contingencies

- a) A provision is recognised if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.
- b) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision disclosure is made.

2.19 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant

2.20 Earnings per Shares

Basic EPS is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity share outstanding during the year. For the purpose of calculating diluted EPS the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares

2.21 Operating Cycles

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Based on the nature of products/ activities of the company, the management has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.22 Financial Instruments

a) Financial Assets

i) Recognition and initial measurement

Financial assets are recognised when the company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value through profit and loss. Financial assets are carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in four categories:

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to the statement of profit and loss.

Financial assets at fair value through profit (FVTPL)

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.

Financial instruments measured at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to the statement of profit and loss.

iii) Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

iv) Impairment of Financial Assets

In accordance with Ind AS 109, the company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- Trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial Liabilities**i) Recognition and initial measurement**

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial liability is initially measured at fair value, in case of financial liability which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the issue of a financial liability.

ii) Subsequent measurement

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense,

BHASKAR AGROCHEMICALS LIMITED.

are recognised in the statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

iii) Derecognition

The company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at each reporting period. Any changes therein are generally recognised in the profit and loss account.

2.23 Contributed equity

Equity shares are classified as equity share capital. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2.24 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company neither have any taxable temporary difference nor any tax planning opportunities available that could partly support the recognition of these losses as deferred tax assets. On this basis, the Company has determined that it cannot recognize deferred tax assets on the tax losses carried forward except for the unabsorbed depreciation.

Defined benefit plans (gratuity benefits and leave encashment)

The cost of the defined benefit plans such as gratuity and leave encashment are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.

The principal assumptions are the discount and salary growth rate. The discount rate is based upon the market yields available on government bonds at the accounting date with a term that matches that of liabilities. Salary increase rate takes into account of inflation, seniority, promotion and other relevant factors on long term basis.

2.25 Standards that became effective during the year

There are no new Standards that became effective during the year. The Company has applied certain amendments

that became effective during the year which are discussed below:

a) Interest Rate Benchmark Reform – Phase 2: Amendments to Ind AS 109, Ind AS 107, Ind AS 104 and Ind AS 116 The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free interest rate (RFR).

The amendments include the following practical expedients:

A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to A floating interest rate, equivalent to A movement in A market rate of interest

- Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued

- Provide temporary relief to entities from having to meet the separately identifiable requirement when an RFR instruments is designated as A hedge of A risk component.

These amendments have no impact on the financial statements of the Company. the Company intends to use the practical expedients in future periods as and when it become applicable.

b) Amendments to Ind AS consequential to Conceptual Framework under Ind AS

The Framework is not a Standard and it does not override any specific standard. Therefore, this does not form part of a set of standards pronounced by the standard-setters. While, the Framework is primarily meant for the standard-setter for formulating the standards, it has relevance to the preparers in certain situations such as to develop consistent accounting policies for areas that are not covered by a standard or where there is choice of accounting policy, and to assist all parties to understand and interpret the Standards.

The amendments made in following standards due to Conceptual Framework for Financial Reporting under Ind AS includes amendment of the footnote to the definition of an equity instrument in Ind AS 102- Share Based Payments, These amendments have no impact on the financial statements of the Company.

c) Ind AS 103: Business combination

The MCA clarified that for the purpose of this Ind AS, acquirers are required to apply the definition of asset and liability given in the framework for preparation and presentation of financial statements with Indian Accounting standards rather than the conceptual framework. Therefore, the acquirer does not recognise those costs as part of applying the acquisition method. Instead, the acquirer recognises those costs in its post-combination financial statements in accordance with other Ind AS.

These amendments have no impact on the financial statements of the Company.

d) Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

In the definition of “Recoverable amount” the words “the higher of an asset’s fair value less costs to sell and its value in use” are replaced with “higher of an asset’s fair value less costs of disposal and its value in use”.

The consequential amendments are made in Ind AS 105, Ind AS 16 and Ind AS 28.

These amendments have no impact on the financial statements of the Company.

2.26 Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest thousand as per requirement of Schedule III of the Act, unless otherwise stated.

51 RISK MANAGEMENT

Financial Risk Management objectives & Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies.

The Company's activity expose it to market risk, commodity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company.

The Company's financial risk management policy is set by the Managing Director and governed by overall direction of Board of Directors of the Company.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rate, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivable, payables and loan and borrowings.

51.1 Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

a) Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

PARTICULARS	31st March, 2022	31st March, 2021
Not Due	44,272.46	31,779.50
0 - 180 Days	55,477.39	3,230.83
180 - 360 Days	30,210.84	0.00
More than 360 Days	0.00	0.00
	1,29,960.70	35,010.33

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (e.g. timeliness of payments, available press information etc.) and applying experienced credit judgement.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

b) Cash and Cash Equivalents

The Company held cash and cash equivalents of Rs. 208.75 thousand at March 31, 2022 (March 31, 2021: Rs. 132.50 thousand) This includes the cash and cash equivalents held with the bank and cash on hand with the company.

51.2 Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has obtained fund and non-fund based working capital loan from bank. The borrowed funds are generally applied for company's own operational activities.

Exposure to liquidity risk:

b) Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates.

The company's interest rate exposure is mainly related to variable interest rates debt obligations. The Company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers/buyers credit.

Exposure to interest rate risk

Company's interest rate risk arises from borrowings. Borrowings issued at fixed rates exposes to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

	31st March, 2022	31st March, 2021
Floating rate instruments		
Financial Liabilities - measured at amortised cost		
Term loan from banks	20,143.75	21,974.28
Working capital facilities from bank	78,209.82	28,704.74
Fixed rate instruments		
Vehicle loan from others (Secured)	2,704.76	3,411.65
Loan from Directors (Unsecured)	25,408.04	17,901.80
Total	1,26,466.37	71,992.46

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable-rate instruments

The risk estimates provided assume a change of 25 basis points interest rate for the interest rate benchmark as applicable to the borrowings summarised above. This calculation assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date assuming that all other variables, in particular foreign currency exchange rates, remain constant. The period end balances are not necessarily representative of the average debt outstanding during the period.

Cash flow sensitivity (net)	Profit or loss	
	25 bp increase	25 bp decrease
31-Mar-22		
Variable rate loan instruments	316.17	179.98
31-Mar-21		
Variable rate loan instruments	-316.17	-179.98

51.3 a) Market Risk

Market risk is the possibility of losses that may be incurred by the company due to factors that affect the overall performance of the company – such as foreign exchange rates, interest rates, recessions etc. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to market risk primarily due to the fluctuations in the rate of interest for borrowings from banks, recession in the market, foreign exchange rate fluctuation etc.

b) Currency Risk

The company deals in domestic market in the functional currency and does not have any exposure in foreign currency in operating activities and borrowings.

c) Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2022 & March 31, 2021 are in Indian Rupees is NIL.

52. CAPITAL RISK MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

BHASKAR AGROCHEMICALS LIMITED.

The Company monitors capital using adjusted net debt to equity ratio. For this purpose, adjusted net debt is defined as total debt less cash and bank balances.
